

Summer Camp Rules, Waiver, and Medical Information

DROP OFF/PICK UP: Campers may be dropped off between 8:30am - 9:00am for normal camp hours. Regular Camp activities will take place from 9:00am - 4:30pm. Children will need to be picked up at 4:30pm. If you sign your child up for Before & After care, you may drop them off at 7:30am and pick them up by 5:30pm. You are responsible for your child when the program ends and fees will apply if you are late for pick-up more than once. **ONLY** those on the authorization list can pick up campers, and they **MUST** produce a picture ID and sign the camper out. If you need to add someone to the pick-up list, the parent/guardian whose name is on the registration form is the only one that can add names and he/she needs to know the child's ID number. You must call the Recreation Office to make changes.

TRIPS: Head counts for trips will be taken by 9:00 am. Campers **MUST** be at site in order to participate in that day's trip.

For swimming trips, Swimsuit attire only. (**NO** T-shirts, cut offs, leotards, or gym shorts allowed in pools.) All long hair must be tied back with a non-metal clip.

Lockers are available for use, but camper must bring lock.

WHAT TO WEAR: Please dress your child appropriately for the weather and for outdoor play. Shoes must be worn at all times. We recommend gym shoes or closed toe shoes as various activities include a lot of running, walking, and playing which makes sandals difficult to wear. (**Flip flops are NOT allowed.**) Sun screen and a water bottle are required.

LUNCH/SNACK: Campers will need to provide their own sack lunch and drink daily and **should not require refrigeration**. Campers may want to bring a snack for the afternoon. **Bring a labeled water bottle daily.**

MEDICATION: If your child requires medication, Parent/Guardian must sign the medicine wavier/release form at the bottom of this registration form. Staff will hold all medication. Medication must be in child safety capped prescription bottle, labeled with child's name, dosage amount and time. We cannot assume full responsibility for medicine administration. Parents are encouraged to administer medicine early morning before camp if necessary. Staff is only permitted to hold daily doses of medication.

PHOTO POLICY: Recreation staff will periodically take photos of program participants. These photos may be used in our publications, including seasonal brochure, advertisements, and Website.

DICIPLINE POLICY: We **DO NOT** tolerate inappropriate or harmful behavior of other campers, counselors, or to themselves. Our policy for any infraction is as follows: 1. Verbal Warning, 2. Time out and written notice to parents, 3. Miss time from next scheduled field trip, 4. One (1) day suspension from program, 5. Three (3) day suspension from program, 6. Permanent suspension from program. Each day of camp, your child will start with a new slate, but repeated actions **WILL NOT** be tolerated. Canton Joint Recreation District reserves the right to dismiss a participant immediately if offense is severe. **PLEASE NOTE:** If a camper is suspended temporarily or permanently, there will be **NO REFUND** from this program.
